a **fun** with Chimp and **learn** with Zee game

Object:

To be the first player to feed your six animals with the correct food.

Contents:

Zookeeper's jeep with plastic base and moving wheels, zookeeper, 4 game boards each featuring 6 animals, 24 animal food cards, 3 zookeeper's sandwich cards

Set up:

Mix the food and zookeeper's sandwich cards together. Stand them up in the back of the jeep, with the picture side to the front of the jeep.

Place the zookeeper into the slot in the back of the jeep between the cards and the rear window. Place the jeep in the middle of the playing area.

Each player takes a game board and places it, animal side up, in front of them. At the end of these instructions, you can read what each animal is eating.

Playing:

Play starts with the youngest player and continues clockwise. The starting player takes a food card from the back of the zookeeper's jeep. The player looks at the food on the card then looks on his/her game board to see if any of those animals are eating that food.

- **Match:** If there is a match, the player places the food card, face down, on top of the matching animal/food picture on their game board and play continues clockwise.
- **No match:** If there is no match, the food card goes, face up, in the middle of the table and a race begins! If any player can match that food card to one of their animals' favorite food, they can take it if they are first player to put their hand on top of it. They can then put the card on their game board. Play now moves clockwise from the player who first took the card from the jeep.

The next player continues the game by taking a new card from the jeep and so on.

- **Sandwich card:** If a player takes a sandwich card from the jeep, the player must give up any one of their food cards. That food card is returned to the pack in the back of the jeep. The sandwich card is put out of play for the rest of the game.

Ending and winning:

The first player to fill their game board with six matching food cards is the winner.

Here's a list of animals and their matching food cards:

Animal	Food	Animal	Food
camel	date	panda	bamboo
flamingo	shrimp	parrot	cherries
giraffe	leaves	sea lion	fish
hippo	short grass	snake	rat
koala	eucalyptus	spider	fly
monkey	banana	zebra	long grass
